OWNER DEALS SEPT '17

WHAT CAN YOU DO to help your CO-OP?

- ★ **SHOP** here! Do as much of your shopping at the co-op as you can. It really helps. Our average basket size is down compared to years past, but our customer count is up. We have more people coming in, but they're spending less. While you're here, pick up just one extra item that you'd get elsewhere and the difference in our sales will be noticeable.
- ★ Use **CASH** at the registers! We spend over \$100,000 per year in processing fees for cards. If everyone used cash or check, we could do a lot more to make our co-op better for everyone.
- ★ **VOTE!** Elections are coming up for the Board of Directors and Round Up organizations. Vote in store September 14-21 (and nominate Round Up organizations September 1-13).
- ★ Attend the **MOO** (9/21, 7-9p @ Urbana Civic Center) as your last chance to vote for the above AND because it's the most important Owner event of the year.
- ★ Attend **BOARD MEETINGS!** Learn about the inner goings-on at the co-op, and most importantly, **LET THEM KNOW** what you think! You can also email board@commonground.coop with any comments or questions.
- ★ **TELL US** what you think. We have an open, inviting, honest Interim GM, Tim, who's always happy to talk, and more importantly, listen.
- ★ **TALK** about the co-op. Tell your friends about why you shop here. Spread the good word.
